

PARKING PERMISSION FORM

Driving and parking on the BCA campus is a privilege that is reserved for seniors and qualifying juniors. Whether driving on a regular or occasional basis, students must submit a Parking Registration form to the office at least one week prior to the time when they will begin driving to school. An exception is made to this requirement during the first week of school.

Parking privileges may be revoked if a student is frequently late to school. Additionally, to maintain driving and parking privileges, students must heed the following guidelines:

1. Prior to 4:00 pm on school days, vehicles, whether in operation or parked, may be ONLY in the furthest southwest row of the parking lot (bounded by Old County Road, the parking lot entrance, and BBC). If that row is full, parking the furthest from pedestrian traffic as possible is requested.
2. Vehicles must be operated in a safe manner appropriate for parking lots in terms of both speed and awareness of children and surroundings.
3. If it is necessary for a student to enter a vehicle during the school day, s/he must obtain permission from an administrator.
4. All provisional license requirements must be followed in accordance with state laws. For example, driving more than the approved number of people in one's car will be grounds for revocation of driving privileges.
