Dear Parents,

We look forward to our partnership with you this year. Whether your child is new at BCA this year or has been here for twelve years already, there may be some things you'd like to share with the teachers who will be teaching him/her this year.

This is a good opportunity to write down any information that you'd like us to be aware of. If you choose to complete this form, return it in an envelope to the office. Or you can attach the information in a document emailed to Mrs. Sutton at [ssutton@bcacademy.org](mailto:ssutton@bcacademy.org), with STUDENT INFO and your child's NAME in the subject line.

1. Are there specific academic, social, physical or spiritual goals you have for your child this year?

2. Are there any areas in which you feel your child needs special attention or help? (If these are already clearly identified in an IEP or 504 plan, there is no need to reiterate.)

3. Please share any other information you would like us to have.
